## Some of the latest products in time for Christmas:

### Go Glow Lights: Rechargeable Night Light & Torch All in One.

Two Functions in one! First, a soothing night light that glows softly to ease your child to sleep.

Secondly, lift the cone section from the base and the night light instantly becomes a torch. Light and torch recharge when placed back in the base. Designed to suit small hands (appropriate for ages 12 months +). Available in Pooh, Thomas the Tank Engine, In the Night Garden and Dora the Explorer.

### Dare to be Different

Transcend the ordinary with Meizai Home. Accessories with elegance and a feel good factor that make a house a home. Combining metallic's, glassware, textures and patterns to create a sophisticated laid back style of understated luxury. Showcasing the very latest trends in home furnishing and accessories, from small gift lines to large design statement pieces, we offer one of New Zealand's most diverse ranges.

Having recently aligned ourselves with two European supplies renowned for their trendsetting ideas, we are pleased to be releasing these ranges in the coming weeks along with our regular Spring/Summer ranges. We would like to extend an invitation and invite you to visit our Showroom for a preview of products with that point of difference.
